OFFICIAL REVIEW

Thirty-Fourth
Annual Assembly

Flanders' Field

By the Late Colonel John D. McCrae

In Flanders' Fields the poppies grow
Between the crosses; row on row,
That mark our place, while in the sky
The larks, still singing bravely, fly
Unheard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset's glow,
Loved and were loved, and now we lie
In Flanders' Fields.

Take up our quarrel with the foe;
To you from failing hands we throw
The torch; be yours to hold it high;
If ye can faith with us who die
We shall sleep, tho poppies blow
Where these, the last, red flowers
Of Flanders' Fields.

Welcoming Our Ten Thousand Visitors in Commemoration of the One Hundredth Anniversary of Illinois

This is the first time Chautauqua has had the opportunity as an organization to show its patriotic allegiance and will assume its full quota of National work this season.

Great inspiring events will mark this year in all our activities, and it is with the greatest satisfaction that we note the reservations being made for this Centennial Jubilee summer.

We are mailing this beautiful Review so that you may make your plans according to the special events mentioned in its pages and we are hoping you will interest other friends who are planning a vacation for the summer.

This is to be the most interesting year the New Chautauqua has ever known. Our pleasure facilities have increased and the beauty of the grounds are beyond criticism; in fact, the opportunities for unequaled pleasures are legion; the tennis courts, baseball field, boating, fishing and hunting, all attract our many friends. The moving pictures, musicals, concerts and other entertainments at the auditorium afford much amusement for evenings.

The unselfish service of the Ladies' Civic Improvement Association has made Chautauqua a clean, beautiful, restful and healthy place for men, women and children.

The swimming pool is one of the greatest features; the water is kept pure and clean, there are teachers to instruct and care for those who wish to learn to swim. There are guards in constant attendance to prevent any fatalities and children are given special attention at all times.

This beautiful retreat can be reached by train, boat or automobile and is accessible from any point. Consider spending this vacation with your friends at the New Piasa Chautauqua and join in the greatest celebration our wonderful state has ever had.

Baggage may be checked from Union Station, St. Louis, or Relay Depot, East St. Louis, direct to and from Chautauqua via. C. & A. and C. P. & St. L. Rys.

CHAUTAUQUA THE BEAUTIFUL

By observing this, the Centennial year of Illinois, the New Piasa Chautauqua, expresses sincere acknowledgment of the importance of the occasion.

Given the hitherto unknown opportunity of combining our program with war work and celebrating the One Hundredth Anniversary of our state, it is with a feeling of responsibility that we gather together in this beautiful valley to do our part to help win the war and to do fitting homage to our glorious state.

Realizing that the war is only half won on the battle field, that the other half is won at home, we do not hesitate to steady ourselves, and forge ahead with our patriotic duties during our summer vacation here at Chautauqua.

We are to have a bigger, better and more enjoyable season this year than ever before and our entire efforts will be given to establish a feeling of community interests; we are all going to work together.

In order that none of us will feel that we are neglecting our war obligations as we spend our vacation period, we are going to give time every morning to Red Cross Surgical Dressing, under the direction of the Ladies' Civic Improvement Association. You may rest assured that you may continue your Red Cross work at Chautauqua all during your visit.

As we are developing a singing army so we in the last line of defense are going to develop with our boys and have community singing at Chautauqua. Every evening a short time will be given to singing the songs our boys are singing and in that way we will feel nearer to them. No one cares what sort of a voice you have, it won't make any difference if every one sings, so be ready to join in singing lively, patriotic songs to strengthen our hearts and inspire us to sustain the determination we have to back up our boys "over there." We must sing for they are the battle songs of a glorious freedom.

Our men are giving their lives to vindicate humanity and we intend to keep on the last line of defense here with our work, our prayers and our songs.

The Community Singing will be the biggest feature of the season.

No more fitting place to relax and yet attend to our particular duty during the summer could be found than beautiful Chautauqua—situated as it is in the heart of our rich, beautiful and healthy Illinois.

Illinois is celebrating her One Hundredth Anniversary and it is our privilege to lend our voices in its behalf. No other state in the Union can boast of greater facilities, from production, transportation, industry, educational, religious, navigation or pleasures than this, our mother state.

No more fitting place could be designated for us in which to show our devotion for our state and country than here among the hills of Chautauqua. Chautauqua the natural amphitheatre.

Italy and all her wondrous beauties nor the marvelously brilliant Golden Gates of California, afford no more remarkable and entrancing natural scenes than our own Chautauqua. Located as it is, in the valley, between two giant, historical bluffs, and on the banks of the majestic Mississippi, is it any wonder we sing its praises?

IT IS INDEED CHAUTAUQUA THE BEAUTIFUL.

There are running springs of clear cold water in the grounds; they never run dry and you come upon them unexpectedly. The Piasa Spring is the center of attraction and the medicinal properties of its water is unlimited.

The hills are full of ideal places for picnics which appeal to the older people as well as the children.

At Chautauqua you have all the comforts of the city, with the country environment—always cool nights, mail twice a day, daily papers, plenty of fresh vegetables, milk, butter and eggs, delivered at your door.

There is a postoffice in Chautauqua and there is a beaten path to its door. You know the rest.

The tired business man has a distinctive place of his own at Piasa Chautauqua. It means something to retreat to just such a quiet refined, comfortable place, where a man can slip on comfortable clothes, roll up his sleeves, turn in his collar and enjoy his Saturday and Sunday in his own way. It means more than pen can picture to spend a day or two in a cool, invigorating and "hail fellow well met" atmosphere once every week.

TRY IT.

The swimming is an inviting feature and a plunge in the bathing pool or the river is a pleasure that is hard to beat.

TRY THAT TOO.

If you want to play baseball, you can do that too. The diamond is a popular gathering place. Real games are played there and the teams organized on the grounds among the residents and guests, put pep into the fun. Join a team and

PLAY BALL.

THE TENNIS COURTS are great; they are in excellent condition and it is your privilege to use them. Bring your outfit and start a game.

DO IT NOW.

BOATING is beyond just description; however, from early morning 'till late in the evening, launches, canoes and row boats are plowing and skimming the river. River sports need no introduction to persons who visit Chautauqua, and all who desire out of the ordinary excursions will find all requirements here.

PADDLE YOUR OWN CANOE AT CHAUTAUQUA.

FISHING is exceptionally good and it is a great satisfaction to bring in your own fish for breakfast. Bring your old clothes and all your fishing tackle. We have plenty of worms here but the early bird gets them.

QUICK ACTION HERE.

AUTO PARTIES will be interested to know that the telegraph poles will direct you from St. Louis to Alton, if you follow the ones that are painted black and white, and the ones from Alton, decorated with white and green paint will bring them direct into the grounds of Chautauqua. The road is in good condition and the distance is not great from anywhere. Only two hours from St. Louis.

START NOW.

THE CHILDREN who visit the New Piasa Chautauqua are given particular care and attention.

They have play grounds of their own, with wading pool. This is a good place for them to learn to swim under a special instructor and every person on the grounds is a self appointed keeper of the children of Chautauqua. The unity with which the entire community is established brings out the natural instinct to look out for our little friends. No child was ever "lost, strayed or stolen" at Chautauqua. Mothers feel comfortable because they know how interested everyone is who belongs to this great Chautauqua family.

COME UP AND GIVE THE KIDDIES A TREAT.

AND THE MOVIES TOO, they are a source of pleasure to every one. The pictures we show are carefully selected and a sociable and most restful evening with us at the movies is one of our chief attractions.

"NUFF SED"

THE REGULAR PROGRAM of the New Piasa Chautauqua opens June 29, but note the pleasures afforded during June, when everybody is busy with many things of particular interest. There is plenty of good healthy fun going on all the time every day; you are expected to do your part to produce more and be a part of all the rest.

REMEMBER THE "COMMUNITY SINGING"

RED CROSS RELIEF WORK TO BE FEATURE OF LADIES' CIVIC IMPROVEMENT ASS'N.

The Ladies' Civic Improvement Association of Chautauqua, will devote their activities this summer to Red Cross Relief work. Surgical dressings and bandage making will be specialized in.

The Association founded nine years ago, includes 50 members and was originally organized for the purpose of improving the beauty of the Chautauqua grounds, and of furthering such civic improvements as might be proposed by the management. Among other improvements the Association has, in recent years, financed alterations and furnishings to the extent of \$3,000 to the Piasa Springs Hotel where the present headquarters of the organization is located, and from the management of which a goodly portion of the funds are derived to carry on their work.

The Association also participates actively during the summer season in the preparation and production of plays, pageants and other amateur theatricals, as may be chosen for the summer programme.

The Ladies' Civic Improvement Association is distinctly a woman's organization. It endeavors to make the woman guest or visitor feel at home. It invites membership specifying the only qualification necessary is a healthy interest in the welfare of Chautauqua.

Fancy work at Springs Hotel under the direction of Miss Patrick.

Everyone is urged to attend the Red Cross Surgical Dressing sessions and don't forget, nor fail to attend the "Community Singing."

WHILE YOU ARE HERE

Now that most of the special attractions have been mentioned, here are some of the places where you may board, rent or visit, while within our gates

The Inn, a ninety room hotel, is beautifully located just outside the grounds of Chautauqua and fronts on the river. The Inn will be under the management of H. C. Dudley, who made so many friends several years ago when he had charge of this hotel. Mr. Dudley is recently of the "Dudley Farm" of Bushburg, Mo.

The Springs Hotel—Rooms only—is conducted by the L. C. I. A. and the income from this is used wholly for beautifying the grounds and helping finance the work. The rooms are furnished by members of this organization, and instead of numbers the name of the member is on the door; this is a home place and Miss Harriett will be in charge again this year. Forty rooms.

Self-supporting young women have a home at Chautauqua where they are to have the advantage of a library as well as all the other attractions which the season has to offer. They find the lectures and entertainments to be of great advantage and pleasure to them. The King's Daughters Home is given over to them as their club home, and is conducted by the King's Daughters Chautauqua Circle. The Home is non-sectarian and rooms and board are available at reasonable rates. For information write Mrs. A. T. Flint, 3839 Shaw Ave., St. Louis, Mo., or Mrs. Pauline Collins, 1610 Henry St., Altan, Ill.

Bellevue—A neat and comfortable cottage, conducted by Chautauqua, Ill., Rooms and Board.

Kentucky Home—Everything the name implies. Conducted by Mrs. J. E. Walton. Rooms and Board.

Woman's Relief Corps, the "W. R. C."—A genuine Chautauqua home. Conducted by Mrs. M. A. Brown. Rooms and Board.

White Hall—Rooms only. Mrs. Clay White, Chautauqua, Ill.

The Women's Christian Temperance Union. The cottage contains twelve rooms. Special low rates are made for week, month or season. Direct your mail to the W. C. T. U. Cottage, Chautauqua, Ill.

Summer Rest will open June 1st, and until the business women occupy the house, friends of Summer Rest may hold house parties at very low rates. For particulars address the Woman's Christian Home, 1814 Washington Ave., St. Louis, Mo.

Fresh vegetables are provided by neighboring gardeners. Butter, milk and fresh eggs are delivered by farmers who live near.

Ice is delivered to cottages throughout the season.

Refreshments are served at pavilions at the entrance of the grounds and near the auditorium.

Telephone and Telegraph service is available at all hours.

Mail is sent out and received three times each day. Have all mail addressed to Chautauqua, Ill.

Cottages are for rent by the week, month or season. Write to Mr. M. Edwin Johnson, manager, for particulars.

WELCOME TO CHAUTAUQUA

We thank you for the pleasure you have given us by visiting New Piasa Chautauqua. To our new friends we extend a welcome which includes you in our Chautauqua family group.

Coming as we have this summer, not to enjoy by idle hours as we benefit by the healthy environment which Chautauqua has to offer, but to continue active work in making it possible for our country to do its share to win out in the most savage war the world has ever known.

As comrades in pleasure as well as work we greet you. We want you to come again.

TEN COMMANDMENTS OF SPOTLESS TOWN

1. Don't throw anything on the sidewalks or street. Find a rubbish-can.
2. Don't tear up paper and scatter it anywhere.
3. Don't let any piles of ashes or rubbish stay in your backyard.
4. Don't mix ashes and garbage in the same can.
5. Don't fill the ash-bin or garbage-can too full.
6. Don't chalk the sidewalk, fences, buildings or pavements.
7. Don't deface park benches or any public property.
8. Don't forget that horses love banana skins. A banana skin isn't dangerous if it is inside a horse's stomach.
9. Don't do anything that will bring disgrace to the city where you live.
10. Don't expect your city to become clean and perfect all at once. It will become an ideal city only when everybody does something every day to help make things better.

TO THE ALTON EVENING TELEGRAPH, we extend our appreciation for the generous publicity given us in behalf of the activities which Chautauqua is dedicating to war and to Illinois in honor of the Centennial Celebration.

CAMP SONGS

OF THE

UNITED STATES ARMY AND NAVY

COLLECTED BY KENNETH S. CLARK, REPRESENTING THE WAR DEPARTMENT
COMMISSION ON TRAINING CAMP ACTIVITIES.

“OVER THERE.”

Over there, over there,
Send the word, send the word over there,
That the Yanks are coming,
The Yanks are coming,
The drums rum-tumming everywhere.
So prepare, say a prayer,
Send the word, send the word to beware.
We'll be over, we're coming over,
And we won't come back
Till it's over over there.

“PACK UP YOUR TROUBLES.”

Pack up your troubles in your old kit bag
And smile, smile, smile.
While you've a lucifer to light your fag
Smile, boys, that's the style.
What's the use of worrying?
It never was worth while,
So pack up your troubles in your old kit bag
And smile, smile, smile.

“SUNSHINE OF YOUR SMILE.”

Give me your smile, the lovelight in your eyes,
Life could not hold a fairer paradise.
Give me the right to love you all the while;
My world forever, the sunshine of your smile.

“KEEP THE HOME FIRES BURNING.”

Keep the home fires burning,
While your hearts are yearning.
Though your lads are far away,
They dream of home.
There's a silver lining
Through the dark cloud shining.
Turn the dark cloud inside out
Till the boys come home.

“THERE'S A LONG, LONG TRAIL.”

There's a long, long trail a-winding
Into the land of my dreams,
Where the nightingales are singing
And a white moon beams.
There's a long, long night of waiting
Until my dreams all come true.
Till the day when I'll be going
Down that long, long trail with you.

There's a long, long trail a-winding
Into no man's land in France,
Where the shrapnel shells are bursting,
But we must advance.
There'll be lots of drills and hiking
Before our dreams all come true.
But we're going to show the Kaiser
How the Yankee boys come through.

"GOING BACK H-O-M-E."

Going back, going back,
Going back h-o-m-e.
Going back, going back
From the lands across the sea.
Going back, going back,
When we've made the whole world free.
We'll clear the track till we get back.
Going back h-o-m-e

"UNCLE SAMMY."

Tune: "The Old Gray Mare."

Uncle Sammy, he needs the infantry;
He needs the calvary, he needs artillery;
And then, by gosh, we'll all go to Germany.
Good night, Kaiser Bill!
Good night, Kaiser Bill!
Good night, Kaiser Bill!
Uncle Sammy, he gets the infantry,
He gets the cavalry, he gets artillery,
And now, by gosh, we'll all go to Germany.
Good night, Kaiser Bill!

"HAIL, HAIL! THE GANG'S ALL HERE!"

Hail, hail! the gang's all here!
We're going to get the Kaiser,
We're going to get the Kaiser,
Hail, hail! the gang's all here!
We're going to get the Kaiser now.
(Count) One, two, three, four! One, two, three, four!
(Repeat song.)

"I'LL WED THE GIRL I LEFT BEHIND."

I can picture tonight in the dim candle-light
The girl I left behind.
I can see her once more at the old cottage door,
Waiting with love divine.
For I gave her the ring and I promised to bring,
Bring the parson back and make her mine;
So I'm going right back, hang my hat on the rack,
And wed the girl I left behind.

"GOOD MORNING, MR. ZIP-ZIP-ZIP."

Good morning, Mr. Zip-Zip-Zip,
With your hair cut just as short as mine.
Good morning, Mr. Zip-Zip-Zip,
You're sure looking fine.
Ashes to ashes and dust to dust,
If the Camels don't get you,
The Fatimas must.
Good morning, Mr. Zip-Zip-Zip,
With your hair cut just as short as,
Your hair cut just as short as,
With your hair cut just as short as mine.

"A PERFECT DAY."

When you come to the end of a perfect day,
And you sit alone with your thought,
While the chimes ring out with a carol gay -
For the joy that the day has brought,
Do you think what the end of a perfect day
Can mean to a tired heart,
When the sun goes down with a flaming ray
And the dear friends have to part?

Well, this is the end of a perfect day,
Near the end of a journey, too;
But it leaves a thought that is big and strou -
With a wish that is kind and true.
For mem'ry has painted this perfect day
With colors that never fade,
And we find at the end of a perfect day
The soul of a friend we've made.

"LONG BOY."

Good-bye Maw; good-bye, Paw;
Good-bye, mule, with your old hee-haw.
I may not know what the war's about,
But you bet, by gosh, I'll soon find out;
An' oh, my sweetheart, don't you fear,
I'll bring you a king for a souvenir;
I'll get you a Turk an' a kaiser, too.
An' that's about all one feller could do.
Boom-a-ra-ra, boom, boom.

"IT'S A LONG WAY TO BERLIN, BUT WE'LL GET THERE."

It's a long way to Berlin, but we'll get there;
Uncle Sam will show the way.
Over the line, then cross the Rhine,
Shouting "Hip, hip, hooray!"
We'll sing "Yankee Doodle" Under the Linden,
With the real, live Yankee pep, Hep!
(Shout.)
It's a long way to Berlin, but we'll get there,
And I'm on my way, by Heck! By heck!
(Shout.)

"LI'L LIZA JANE."

I've got a gal, an' you got none.
Li'l Liza Jane.
I've got a gal, an' you got none.
Li'l Liza Jane.
Oh, Eliza! Li'l Liza Jane.
Oh, Eliza! Li'l Liza Jane.

"SOMEWHERE A VOICE IS CALLING."

Dusk, and the shadows falling
O'er land and sea.
Somewhere a voice is calling,
Calling for me.
Night, and the stars are gleaming,
Tender and true.
Darling, my heart is dreaming,
Dreaming of you.

"WHEN YANKEE DOODLE LEARNS TO PARLEZ-VOUS FRANCIAS."

When Yankee Doodle learns to parlez-vous Francais,
Parlez-vous Francais, in the proper way.
He will call each girlie "Ma cherie";
To every miss who wants a kiss he'll say, "Wee, wee!"
On ze be, on ze bou, on ze boule-boulevard
With a girl with a curl you will see him promenade.
When Yankee Doodle learns to parlez-vous Francais,
"Oo-la-la! Sweet papa!" he will teach them all to say.

"KEEP YOUR HEAD DOWN, ALLEMAND."

Keep your head down, Allemand.
Keep your head down, Allemand.
Last night, by the star-shell light,
We saw you, we saw you.
You were mending your broken wire
When we opened rapid fire.
If you want to see your father in your fatherland,
Keep your head down, Allemand.

"JOAN OF ARC."

Joan of Arc, Joan of Arc,
Do your eyes, from the skies, see the foe?
Don't you see the drooping Fleur-de-Lis?
Can't you hear the tears from Normandy?
Joan of Arc, Joan of Arc,
Let your spirit guide us through;
Come, lead your France to victory.
Joan of Arc, they are calling you.

CHAUTAUQUA TO HAVE BIG SEASON

Preparations for Re- turning Soldiers Are Extensive.

1916

(From East St. Louis Daily Journal,
Sunday, May 11.)

The victorious end of the war and the home-coming of our soldier boys will greatly affect the attendance at summer resorts like Piasa Chautauqua. Many of the regular cottage residents had sons in the army and quite a number of these will on their return take vacation rests ranging from a week or two to the whole season at Chautauqua before getting back into civil employment. There will be one or two specific home-coming days for the soldier boys and special efforts throughout the season made for their entertainment.

Many marked improvements will be found on the grounds this year. The concrete swimming pool, which because of inadequate pumping facilities has been out of commission for the past three seasons, has been leased by the owners to Mr. J. H. Ponder, who is installing a complete new engine and pumping outfit of large capacity, which will restore the important feature of safe pool swimming to cottagers and visitors. The old, unsightly engine building is being torn away and the new engine and pump will be installed on a barge in the river, where the noise of exhaust will not discommode cottagers living near the river. One hundred thousand gallons of fresh water will be pumped into the pool every day, and once a week the entire pool will be emptied and cleaned.

A long-wished-for new improvement will be found at the grounds this year in the form of a golf course. A nine-hole course has been laid out and will be ready for use early in June. It is located just north of The Inn, using the old baseball park in part for this purpose. This will supply the one needed missing feature

of entertainment for cottage residents and guests.

The Ladies Civic Improvement Association, an organization made up of the wives of the directors and of other ladies on the grounds, has done much in the past toward improvement features. Their conspicuous work this year is the building of a large pavilion on the river bank in front of the railroad station. This will form a most attractive spot for social gatherings and be an excellent viewpoint for the beautiful sunsets characteristic of Chautauqua, and for watching the river by moonlight. The erection of this highly ornamental addition to the grounds was aided much by personal contributions from Mrs. S. S. Pingree, Mrs. John C. Kupferle, and other ladies.

General Manager Johnson and his associates on the program committee have provided an unusually good program for entertainment during the months of July and August. More cottages have been engaged already than ever before so long before the opening of the season, and prospects are excellent for a record-breaking attendance. Train service will be substantially as it was last year, when it was the best the Association had ever had. Close connection with trains of the C. P. & St. L. road will be made by limited electric cars from Eads and McKinley stations; this ride through the American Bottoms and along the banks of the Mississippi river being in itself a most attractive recreation. For several years access to Chautauqua by boat has been interfered with by a sandbar, which during the past year has so shifted that boats will now be able to get to the grounds in nearly all stages of water. Three boats a week will run regularly during the season on Mondays, Wednesdays, and Fridays, and others as special excursions.

The Piasa Chautauqua Association is not organized for pecuniary profit, and every dollar of surplus receipts above amount needed for maintenance of the grounds, entertainment, and other operating expenses, is available for improvements to the grounds.
